WHO WE ARE

Over 20 years ago Allstar Dental Inc. began repairing dental operatory equipment. Our technicians are fully trained with years of experience in the onsite repair of dental office equipment. Our goal is to repair it right the first time. Our company stands behind its repairs and offers warranty considerations as warranted. Our first priority is to keep your existing equipment running like new. We will make preventive maintenance recommendations to keep your equipment running problem free longer. We will make recommendations to empower our customers to make educated decisions when deciding whether it makes more sense to repair or replace dental office equipment.

WHAT MAKES US DIFFERENT

Allstar Dental Inc. is a uniquely full service dental service company. Allstar Dental Inc. keeps up with change. The dental industry is constantly changing, often incorporating modern technology in dental offices. Allstar Dental Inc. can help dental offices transition bringing the new technologies into their offices.

EQUIPMENT

We offer quality brand name dental equipment including but not limited to Belmont, Scican, Tuttnauer, and Midmark at competitive pricing. We will not sell you equipment you do not need. We will work with your office to find solutions to dental office problems. We take the time to offer customized options to best suit your needs and your budget. We stock equipment so that your office does not need to be down. Competitively priced vacuum pumps, compressors, sterilizers, and x-rays are ALWAYS in stock.

SUPPLIES

We offer a full line of dental office supplies. We carry all of the major popular brands and offer them at competitive pricing. Orders can be placed conveniently online at www.shopallstardental.com.
